

## That's a wrap!

Targa Hawkes Bay 2019 (brought to you by Piako Group) proved to be one of the best Targa events yet, with impressive roads and breathtaking scenery throughout the regions. The atmosphere on event was phenomenal, and we hope you all enjoyed the event just as much as we did bringing it to you.

Congratulations to all finishers - a full list of results are available [on our website](#).

We once again thank the local communities for the support and the numerous groups that helped along the way. From timing crews and safety marshals, service parks to car washes, all of the Officials (both in the field and at Rally HQ) performed superbly.

We thank them all for the time they give to support the event.

Our thoughts are with those involved in incidents along the way and we wish them a speedy recovery.

A special thanks to all of the event partners which without their support, Targa simply wouldn't happen.

## RACE 4 LIFE

Thank you to all who helped raise some much needed funds for our charity partner; Race 4 Life. Officially, Race 4 Life raised a touch over \$18,500, and without your support this wouldn't be achievable, so thank you!
